| | Sub Total | 0.54 |
| | Grand Total | 1238.41 |

After the detailed discussions and deliberations the committee approved all the projects.

Subsequently Honøble Minister instructed to all the concerned as under.

- During forth coming monsoon all the ongoing works of JnNURM should have proper protection mechanism to avoid accidents and inconvenience to the public.
- Overall the physical progress of the projects is satisfactory but few projects of Ahmedabad-Vadodara are still lagging behind and so the agencies executing these projects need to be directed to expedite the works.
- For quality control all the corporations have deployed third party inspection agency. However the TPI reports are not being forwarded to GUDM. Hence forth a copy of the TPI reports of each project should be forwarded to GUDM and the same should be reviewed by the experts of GUDM and the outcome should be brought to the notice of GOG.
- The works, particularly the pipeline works, which are already completed and tested, an efforts should be made to commission the system partially.
- In BRTS projects, which are in progress as well as proposed, all the corporation should take corrective action as per the guidelines of GoI. So that the project is implemented without any problem.
- All the project proposals to be routed through SLNA only.
- During the presentation of individual project the suggestion made by respective Honøble MPs/MLAs/Mayors in connection with projects should be adhered to.

Since there was no further points to be discussed the meeting was concluded by vote of thanks at 20-45 hours.
